DECLARATION UNDER 37 CFR 1.47(a)

I, Michael I. Stewart of 1180 Carey Road, Oakville, Ontario, Canada, L6J
2E4 declare as follows:

1. I am registered to practise before the PTO under Registration No. 24,973 and am responsible for the preparation, filing and prosecution of this application.
2. This application names Brent E. Green, Rakda Milanova and James Logie as co-inventors. The beneficial owner is Burcon Nutrascience (MB) Corp. ("Burcon"). This application was filed on January 27, 2006 as a US National Phase filing under 35 USC 371 from PCT/CA2004/01433 filed July 30, 2004.
3. When I reported out the filing of this application to my contact person at Burcon's headquarters in Vancouver, I forwarded the Declaration and Power of Attorney requiring execution by inventors Green and Logie to their immediate supervisor, Martin Schweizer, at Burcon's research faculty in Winnipeg with a copy of the reporting letter. I also forwarded the Declaration and Power of Attorney requiring execution by the inventor Radka Milanova along with a copy of

Application No. 10/566,082
Declaration dated: October 18, 2006

2

published PCT application for reference to Radka Milanova along with a copy of the reporting letter to her last known address. The last known address of Radka Milanova is:

605-1749 Robson Street
Vancouver, British Columbia
Canada, V6G 1E1.

I am attaching as Exhibit I, a copy of the letter addressed to my contact person.

4. I knew from dealings with respect to Application No. 10/517,987 that we had been unable to obtain the signature of Radka Milanova with regard to a Declaration and Power of Attorney on behalf of Lei Xu, a non-signing inventor in Application No. 10/517,987. I note that Radka Milanova signed the Declaration and Power of Attorney for Application No. 10/902,102, an application bearing the same title as this application and identical in technical content to this application. A copy of that Declaration and Power of Attorney document is enclosed as Exhibition II.

5. When I received no reply from Radka Milanova, I forwarded a follow up letter with a copy of the papers and a copy of that follow-up letter is appended as Exhibit III. No response has been received from Radka Milanova, consistent with her action with respect to Application No. 10/517,987. It is submitted that the pattern of activity by Radka Milanova is tantamount to a refusal by Radka Milanova to execute the Declaration and Power of Attorney for this application.

6. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and

Application No. 10/566,082
Declaration dated: October 18, 2006

that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

Declared at Toronto, Ontario, on 18th day of October, 2006.

Dear Radka:

RE: US Patent Application No. 10/566,082
pursuant to PCT/CA2003/000934
PROCESS FOR PREPARATION OF FLAX PROTEIN ISOLATE

Further to my letter of March 6, 2006 to Margo Osinski, a copy of which is enclosed, I do not appear to receive the executed papers and I enclose a new Declaration and Power of Attorney document for execution in the event the original one has been mislaid. We have until August 5, 2006 to file the executed Declaration, if further extension fees are to be avoided. I look forward to the return of the executed paper shortly.

Yours very truly,

SIM & MCBURNEY
